

8th ANNUAL KEEPING THEM WARM CAMPAIGN

On behalf of the
Ministry of Community & Social Services
and our 2013

Keeping Them Warm Committee,
we would like to thank

V.I.P. Catering

for contributing desserts, coffee/tea, cooler

With the on-going partnership and support of
Walmart South End, we were able to assist 64
children this year. Your donation has contributed
greatly to this event. The children and parents are
most grateful, as is the KTW Committee.

This wonderful event would not have been possible
without your support. Once again, thank you and
we look forward to your participation in next
year's campaign.

keeping them warm
